

Following are the links to the student needs assessment survey for the school health services planning grant in both English and Spanish.

Please fill out the survey to help our county health district know how to best help us.

Survey links for youth/students:

- [Spanish](#)
- [English](#)

Survey links for parents:

- [Spanish](#)
- [English](#)

The *student survey* should take no more than 5 minutes to complete with SurveyMonkey estimating it will take only 2 minutes to complete.

The *parent survey* should take no more than 10 minutes to complete with the SurveyMonkey estimating it will take only 6 minutes to complete.

This information truly will inform what future services are made available to youth/students and families in South Wasco County.
