

IA Philosophy

IA

All students shall have an equal opportunity to pursue and acquire knowledge and to master the curriculum's objectives. The program shall provide for student mastery of basic skills, higher order thinking skills, the ability to work in groups and individually, individual physical and mental well-being and other varied needs and interests of students. The curriculum shall be outcomes-oriented and the instructional program research-based.

The educational process shall be a comprehensive program undertaken in cooperation with parents, institutions and community programs.

Approved: August 13, 2001

DISTRICT MISSION

Unified School District 364 will provide the resources for the implementation of the Marysville Elementary and the Marysville Junior/Senior High School mission to become reality.

ELEMENTARY MISSION

The Mission of Marysville Elementary Schools in District 364 is to assure that all students served by the district learn in an environment which maximizes achievement and exit with the necessary skills to be productive citizens in a changing society.

MARYSVILLE JUNIOR/SENIOR HIGH MISSION

Our mission is to provide a competency-based curriculum so that all students will realize their potential and become lifelong learners contributing to a dynamic, technological society.
