

With parental permission, eligible students who can complete graduation requirements as prescribed by the board are eligible to be released from school during the regular school day to attend classes at a Regent's university, community college, technical college, vocational educational school or Washburn University.

Concurrent Enrollment

A student enrolled in grades 10, 11 or 12, or a gifted child in grades 9 through 12 who has demonstrated the ability to benefit from participation in the regular curricula of eligible postsecondary education institutions, may apply to the principal for permission to enroll at an eligible postsecondary education institution.

The district may enter into an agreement with the college for the purpose of allowing these students to receive dual credit.
