- Provides training of the ALICE Program.

Physical Demands:

The physical demands described are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is frequently required to reach, stand, walk, lift, grasp, write, talk, hear, see, use technology such as computers and multi-media equipment, and use repetitive motions. While performing the duties of this job, the employee may frequently lift and/or move at least 10 pounds of materials and occasionally lift moderately heavy materials. Specific vision abilities required by this job include close vision such as to read handwritten or typed material, as well as distance vision to inspect job sites, and the ability to adjust focus. The position requires sitting or standing for extended periods of time; climbing ladders and working from heights, bending at the waist and reaching overhead, above the shoulders and horizontally to retrieve and store supplies; walking over rough uneven surfaces at construction sites and during inspections or for field office work. The position requires the individual to meet multiple demands from several people and interact with the public and other staff members.

Work Environment:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Most commonly, the educational setting is indoors and outdoor settings. The noise level in the work environment is low to moderate (20-60 dB). Exceptions include gymnasiums as well as vocational/ technical laboratories where the noise levels may be moderate to loud (60-90 dB).

The information contained in the job description is for compliance with the Americans with Disabilities Act (ADA) and is not an exhaustive list of duties performed by this position.

Perform Other Job-Related Duties and Responsibilities as Assigned by the Superintendent
