**GBK**

The superintendent shall have the authority to suspend licensed employees with pay until the suspension is resolved by board action at the next regular or special meeting of the board.

The superintendent may suspend licensed employees with pay for any one or more of the following reasons: alleged violation of board policy, rule or regulation; the filing of a formal complaint against the employee with any civil authority or with board charging the employee with the alleged commission of an offense involving moral turpitude; and other good cause.

An employee may be suspended with pay. If the suspension is imposed on an employee pending dismissal, the employee is entitled to pay until the employee has had a due process hearing before the board. The hearing shall determine whether further suspension shall be with or without pay and whether the employee will be terminated.
