December 17, 2020

Dear School Community,

Yesterday, the health department confirmed two additional School Associated Cases of COVID-19 in a student or staff person in our school district. As of today, this means we have 55 staff and students in quarantine from yesterday's confirmed cases and 74 combined staff and students out through at least next week. We do not have the substitutes needed to cover bus routes or classrooms at this point in time and operating school right now would potentially put more staff and students in a poor situation immediately before Winter Break.

As a result, Pine River Area Schools will be entering into K-12 Intermittent Learning (remote and online) only, through December 22. We are hopeful that by keeping all of K-12 students at home these last few days of 2020, we can help control the number of cases going into our homes and community over break.

Please look for a text if you are interested in picking up school meals for December 21 and 22.

In following our Intermittent Learning plan, teachers will be sending packets home and/or contacting all of our students Friday-Tuesday, December 18, 21 and 22. High School packet drop-off will still be Monday, December 21, from 3:45 p.m. to 5:45 p.m. Please plan accordingly and stay safe over Winter Break. Face-to-face learning will resume upon our return from break on Monday, January 4, 2021.

Look for more updates on our website or on our App.

Sincerely,

Matt Lukshaitis, Superintendent
