

# BUSD COVID Metrics

(as of 12/17/20)

CDPH states that sites with 5% or more of the population testing positive for COVID within a 2-week period should close. More than 2 positive cases at a time at HSMS or BUHS (respectively) may warrant closure due to staffing needs. Sites needing to close due to COVID exposure will close for a period of at least 2 weeks to limit spread of the virus and allow for testing of impacted students/staff.
