The Lebo Elementary School web page can be found at <http://lgs.usd243ks.org>. Important news and information about our school can be found at this site. Teachers also have the ability to publish classroom web pages. Prior to posting student photographs on this site, we ask all parents to complete the following form either granting or denying permission to post photos of your student. The permission slip is shown below. This slip must be signed annually.

Parental/Guardian Consent Form

We are sending you this parental consent form to both inform you and to request permission for your child's photo/image and personally identifiable information to be published on the district and/or school's web site.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of your child's school and such rescission will take effect upon receipt by the school. **Check one of the following choices:**
