7. NEW BUSINESS

7.1 Amended Budget

Matt shared the amended budget with the board, explained the changes to each fund and stated that we will come under budget.

Be it resolved by the Board of Education of Rangely School District Re-4 in Rio Blanco County, that the amounts shown in the following schedule be amended to each fund as specified in the Amended Budget for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

8. OLD BUSINESS

8.1 COVID19

Matt updated the board that the administrative team will be discussing regarding reopening. The goal is to start school and we will be talking about different scenarios but are waiting for more direction. We will be talking about accountability and attendance, live classroom, etc. We will be discussing several things including how to handle staff and students who may be unable to come back to school due to compromised immune systems, or may not want to come back to school. We will be trying to put it all together and have a protocol for everything. Hopefully by the end of next week we will know what it's going to look like and will put something out to the community by July 4th.

8.2 Final Budget

Matt shared that we will still need to make cuts and the cuts will be salaries, but still waiting for a little more guidance. We will consider keeping everyone employed until we know if we have the money to cover salaries or not, but as of now we do have a salary freeze.

The budget shows a deficit across the board. We have received some money from the Governor and waiting for guidance on how we can use the money; hoping to be able to use the money the way we need to. Then we can amend the budget and know that as always we spend it tightly. He shared that he is more concerned about next year's budget since the second year is usually hit harder.
