NOTES

Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person among the district's many leaders.

Public participation is an opportunity to present brief comments or questions to the board for consideration or follow-up. Each person is asked to focus comments to five minutes and sign in on the podium.

The consent agenda is based around "need for action" decisions which are highly routine or backed by prior information and discussion.

If you are interested in helping the district's efforts, please speak with any member of the district or call the district office at 675-2207. Opportunities abound and your participation is highly desired.

9. NEW BUSINESS

9a. State Frame Works

We don't anticipate any changes in scores. We are an accredited school, but would like our goal to become accredited with Distinction. The 5th grade is 51% of the score in elementary and the 9th & 10th grade carry the weight of the JSHS. We would like our reading to improve. If students read at home and we make sure our student's attendance is high; with these two things we will see growth in reading

9b. Security & Cameras

We are looking at a couple of proposals from different companies for security Cameras and will continue the research for the best cameras for the best price. Will report back next month.

10. GOOD OF THE ORDER

There will be two seats on the November Election ballot. There should have been three seats since the seat Casey Ducey sits on was an appointed seat. It is too late to add to the ballot or for Casey to submit a petition. Once the new board is in place and board positions are voted on at the November board meeting, we will open up the third seats as an appointed seat and will be open
