## **Pesticide Application Notification Request**

**Pleasants County Middle School** adheres to an Integrated Pest Management Plan in accordance with Title 61, Series 12J rules of the West Virginia Department of Agriculture. Pests are controlled primarily through preventive measures. When pesticides are required, the least hazardous materials will be used.

Pest management methods are classified as level 1, level 2, level 3, and Level 4, depending upon their toxicity and the degree of hazard associated with their application.

- Level 1 Non-chemical (preventive)
- Level 2 Least hazardous (low toxicity, non-volatile baits or dusts)
- Level 3 EPA Caution (limited volatility liquids)
- Level 4 EPA Caution (broadcast), Warning or Danger (any application method)

As a parent or guardian, you have the right to be notified if and when Level 3 or Level 4 pesticides are to be applied. To receive such notification, please complete the information requested below and return this form to the principal.

**Please Note:** Level 3 and Level 4 pesticides will not be applied when students are in the areas being treated.

being i	reated.
