Jackson Primary School	Students and Staff will be randomly chosen. School must test 20% of the in-person staff and students over a two week period. The positivity rate must be less than the rolling average of Genesee County to discontinue testing.	Testing begins the week of 1/4/21. Testing will be conducted on 1/4/21, 1/5/21, 1/11/21 and 1/12/21. You will be notified the Friday before if your child is chosen to be tested. See video link for each school to watch how testing will be completed.	Jackson Covid Swab Demonstration Video	Parents will be permitted to observe testing. We will call you to pick a time slot to bring your child into the school to be tested. If you do not wish to attend, we will test your child in school after notifying you.	Jackson FAQ
John Kennedy Intermediate School	Students and Staff will be randomly chosen. School must test 20% of the in-person staff and students over a two week period. The positivity rate must be less than the rolling average of Genesee County to discontinue testing.	Testing begins the week of 1/4/21 and will be conducted on 1/4/21, 1/5/21, 1/11/21 and 1/12/21. All tests will be conducted by our school nurse. Testing will be between 9:00-9:30am. Students will wait in the cafeteria until it is their turn. See video link for each school to watch how testing will be completed.	JK COVID Swab Demonstration Video	Parents will be permitted to attend the testing. When we call to let you know your child has been randomly selected you will be asked. If you wish to be present please bring your child into school that day. If you do not wish to attend, we will test your child in school after notifying you.	JK FAQ
