# Annual Fund 2022-2023

At Midland Christian School, our mission is simple: “partner with parents in leading students...to develop their God-given talents for lives of Christian leadership and service.” Throughout our history, we recognize this has only happened when family, friends, staff, alumni, board members and so many others have contributed financial support.

While tuition funds 90% of our financial needs, we rely upon God’s provision to fully support the amazing teachers, programs, and facilities at MCS. Every dollar you give impacts a student in a multitude of ways - from spiritual growth and development to academic and extra-curricular achievement, to building and maintaining incredible facilities.

Your support towards our operational expenses is crucial to the heartbeat of MCS. There are also several specific areas of growth across our campuses that provide opportunities for you to enhance the experience of Midland Christian students which we have included in our Annual Fund giving. It is our goal to fundraise \$500,000 towards these specific areas. We are striving for 100% participation from all members of the MCS community.

## ELEMENTARY:

- Promethean Panels for 17 Classrooms, New Desks and Chairs for 5th Grade, and RO System Additions

## MIDDLE SCHOOL:
