

# #Building our Future

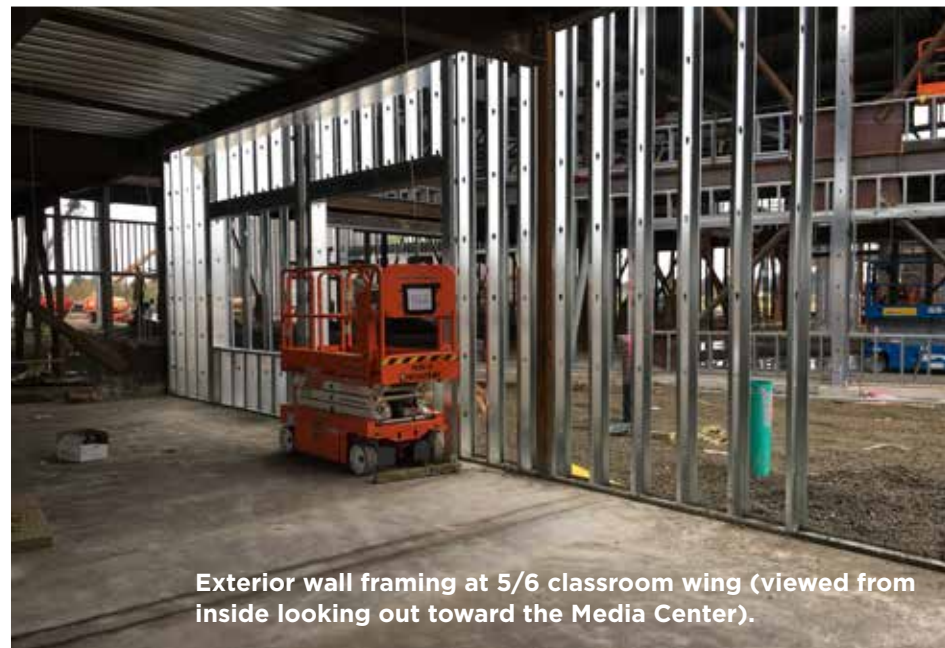

Construction Update: Week ending November 10, 2017: Structural steel work started this week at the STEAM Wing. Concrete work on slab pours continues on second floor levels of structures. Roofing work is underway at the Media Center, and exterior wall framing continues to progress at classroom wings.

Roofing work at Media Center.

Concrete slab pours on second floor levels continue at a steady pace.

Exterior wall framing at 5/6 classroom wing (viewed from inside looking out toward the Media Center).
