Open Discussion

- We reminded members that for every \$10.00 you donate, that is good for 1 hour volunteer time.
- We will be doing a Teacher appreciation gift every semester. Georgia Hagler agreed to do the 1st semester and Carissa Jones agreed to do the 2nd semester.
- It was brought up that when we do "your one smart cookie" for ISAT's that we consider kids with allergies. Maybe do some other kind of treat.
- We reviewed the walk-a-thon. Planning for our walk-a-thon on September 22nd is on track. We will have a sign-up genius for all the volunteers to bring food and items. Stephanie's son is making a "power up" button. Christina acquired many prizes and items for the walk-a-thon. We will have a bubble machine and limbo stick. Packets are due on September 5th!
- We reviewed and counted up Box Tops for the class competition.
