## Open Discussion

- Back to School night: We will hand out and collect PTO membership forms. Mr. Lovstedt is giving Karissa time to speak to the Parents about our PTO schedule and upcoming events for the year. She will talk about the walk-a-thon and show off prizes.
- Karissa made baggies to hand out to students to give them some incentive to collect box tops. We are having the classes compete against each other to see who can collect the most. The class that wins will have Pizza Party and rootbeer floats in their class.
- Walk-a-thon Packets are due September 5th.

## Finances

- Went over Budget and bank account.

## Business

- Karissa created a new PTO member form. We approved it in a vote.
