August 16, 2022

Welcome back, everyone!

Of all the welcome letters I've written to you all, this one is the most bittersweet. I am truly so grateful to be with you all for a few more weeks and to kick off the school year at RES. I will continue to lead RES through September 16th before beginning in my new role. I can assure you that you get 100% of my effort, energy, and love during that time. And a lot of hugs. Probably too many hugs. (You've been warned!) 🤗

On Monday, August 29th, we will gather at MVHS for breakfast (provided) and the district opener. After that, we will return to RES to have some fun together and to prepare for Open House. We hope that as many staff as possible can join us from 3:30- 5:00 for Open House! Tuesday will be a busy day to go over routines and expectations and to prepare for the year ahead. Lunch will be provided on Tuesday and will be an exquisite salad bar (thanks to Penny)!

We truly have an amazing team of returning staff members and new ones. The positivity and work that have already gone into preparing for the year is tremendous!

Enjoy every moment of the remaining days of summer! 💙❤️

*Jill*
