Dear MES & RES Community,

Thank you to all of you who completed the survey last week. On May 31st our School Board reviewed the results and made the decision to go with Assistant Principals in each of the school buildings with Principal Jodi Ellis as the Elementary Principal. Principal Carrie Luce will serve as the MVMS Principal with Assistant Principal Chris Brennick.

The current plan will be to work with the leadership teams of all three schools to bring students and staff together as Mountain Valley Community School in 2025.

We have posted and advertised for the Assistant Principal positions and plan to interview and hire in the coming weeks. As always, we will do this through an interview committee involving staff, parents and school board membership.

We will keep you informed of the upcoming plans as we move into the summer.

Deb Alden
