NOTES

Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person among the district's many leaders.

Public participation is an opportunity to present brief comments or questions to the board for consideration or follow-up. Each person is asked to focus comments to five minutes and sign in on the podium.

The consent agenda is based around "need for action" decisions which are highly routine or backed by prior information and discussion.

If you are interested in helping the district's efforts, please speak with any member of the district or call the district office at 675-2207. Opportunities abound and your participation is highly desired.

Mission Statement	Vision Statement
Rangely School District RE-4's mission is to create a learning community dedicated to high achievement and safety for all.	Rangely School District RE-4's vision is to be a district of innovation that inspires students to become life-long learners and positive difference-makers in society.

The students of the month for September are Phalon Osborn and Grady Nielsen. Crandal introduced them to the board and stated that they are both involved leaders of the school. Crandal thanked this month's sponsors, Prater's Plumbing & Heating. He also thanked Jeff Lebleu for talking to businesses in town to help and support the Student of the Month program.

6.2 OTHER
Matt recognized Teresa, Jess and Kris of BOCES for their coordinated efforts of the 7 Mindset and Love & Logic trainings for all staff.

7. **REQUESTS TO ADDRESS THE BOARD**
   None

8. **REPORTS FROM SUPERINTENDENT, ADMINISTRATORS AND COMMITTEES**
   8.1 PVE – Mike Kruger
   8.2 JSHS – Crandal Mergelman
   8.3 BOCES – Teresa Schott
   8.4 RDA update – Joyce Key
   8.5 Superintendent – Matt Scoggins
   The reports are available at the District Office

9. **DISCUSSION ITEMS:**
   9.1 New Business:
   9.1a CASB Policies
   9.1aa ADD – Safe Schools - Revised
   9.1ab GBEB – Staff Conduct - Revised
   9.1ac KDBA – Parent Notification of Employee Criminal Charges – New
   Policies presented to the board will be voted on in the November meeting.
   9.1b Colorado Frameworks
   Matt stated that our goal as a district is to be a "district of distinction". We were on a Priority Improvement plan 4 years ago and are now rated as performance. The frameworks are available on CDE's website.

   9.1c BOCES & Funding
   BOCES is there to support the staff and they provide a vital role in the district. We share and work jointly with the Meeker board to provide the support for our schools. Some positions in BOCES are shared between Meeker and Rangely while some most positions reside in only one district. Rangely's contribution to BOCES was over $800,000 last year so in essence, BOCES is a conduit for the employees living and working in Rangely. Those positions include resource teachers, paraprofessionals, some speech services, nursing, and school psychologist. The positions that are shared positions include

Mission Statement	Vision Statement

occupational therapist, speech and administration. The positions that are not shared do not need to be a concern of the other district, as they are being funded on their own.

9.1d Heating & Cooling

The board all agreed that the heating and cooling system for all the schools are not working well and feel it goes back to the contractors who put the system in. They are tired of the schools being too hot and too cold and never working correctly. Part of the problem is the parts are hard to get and on time. They agreed that Jose will be more attentive to the system and Matt will look into it.

10. GOOD OF THE ORDER

None

Next meeting will be October 16th at 6:15pm with no work session.

11. ADJOURNMENT

The meeting was adjourned at 8:13pm

Michelle Wilkie – Jr. High Boys Basketball

Parkview Principal's Report – October 2018

- Enrollment at Parkview is currently 276. Following is the grade level breakdown:

Pre-school	40
Kindergarten	24
First Grade	36
Second Grade	35
Third Grade	46
Fourth Grade	44
Fifth Grade	51

- "Mindset Mondays," a curriculum based on The 7 Mindsets, by Scott Shickler & Jeff Walker, are off to great start. The first morning of each week is dedicated to a 30 minute lesson from the curriculum. October is Unit 2, "Passion First."

- Parkview and the EEC had a large number of students participate in the Walk to School Day on Oct. 10.

- Parent/Teacher Conferences were held after school hours on Oct. 1 and 4. Many parents took advantage of the on-line scheduling tool made available through our office to sign up for conferences. Conferences were well attended.

- Parkview's PTO sponsored the annual Fall Scholastic Book Fair the week of Oct. 1-4.

- Parkview 2nd graders enjoyed a field trip to the Historic Fairy Caves in Glenwood Springs on October 10 and 11.

- Parkview's 6th annual "Night at Hogwarts" is Friday, October 26, 5:30-8:00 p.m. This activity celebrates and encourages reading for fun. The entire community gets involved in a variety of ways: Parkview faculty and staff decorate the hallways and classrooms, they incorporate the "House Point" system as positive behavior support for the students during the month of October, and they partner with community members to sponsor a variety of fun activities from the Harry Potter books the night of October 26.

Respectfully Submitted,

Mike

Fall is upon is and winter is approaching

- Jr. High – 111 students
- High School – 121 students

In the school:

- Homecoming was a great success. We had a lot of activities that were well attended and participated in.
    - Would like to send a thank you out to the High School, and Jr. High STUCO exec teams for all of their work and time put in.
    - Big thank you goes out to Mr. Kyle Boydstun, and Mrs. Jimmie Mergelman as the HS STUCO sponsors. They put in a lot of extra hours, fought through being sick, worked to showcase the kids and their efforts, and did a tremendous job with everything for the week.
    - All of the teachers, both HS and Jr. High were out and working with and helping their classes. Thanks to everyone for this.
    - I want to also send a thank you out to the community. Our bonfire was different than it had been in the past, but it was very well received and we had nothing but great comments and feedback from those that were in attendance.
- Parent/Teachers Conferences went well.
    - They received their current grades as well as their PARCC and CMAS scores from last spring. All other parents will be receiving their grades in the mail.
    - Teachers indicated that conferences went well as a whole other than parent attendance was fairly low.
    - Tuesday night I hosted a parent's info forum on the chrome books and policy. A few parents attended.
    - Thursday night Dixie Fielder and Jimmie Mergelman hosted a FASFA night for all seniors to get help with their financial aid packets and information. I believe that almost all seniors and parents were in attendance
- Jr. high Athletics and Activities
    - Volleyball and Football are done and completed. Seasons went well
    - Jr. High Boys have started practice and will host our first weekend of games on 10/14/17 with Meeker, Craig, and Hayden coming to town.
- High School Athletics and activities
    - Fall seasons are beginning to wrap up and set teams up for playoffs. Cross country will be running at state that same weekend (it looks as though we should have a girls team that qualifies for state). Football's Final game of regular season will be in Plateau Valley that Saturday as well. Volleyball does not have a Districts any longer. Instead we have a top 5, and a bottom 6 tournament this weekend. The top 36 teams by RPI will qualify for state.
    - Student Council will be hosting a blood drive on Oct 17th.
    - Jr/Sr High school Band concert will be Oct 25th.
    - November13th will be the High School Drama production.

OLD

BULLYING PREVENTION AND EDUCATION

The Board of Education supports a secure school climate, conducive to teaching and learning that is free from threat, harassment and any other type of bullying behavior. The purpose of this policy is to promote consistency of approach and to help create a climate in which all types of bullying are regarded as unacceptable.

Bullying is defined as any written or verbal expression, physical act or gesture, or a pattern thereof that is intended to cause distress upon one or more students. For purposes of this policy, the school environment includes school buildings, grounds, vehicles, bus stops, and all school-sponsored activities and events.

A student who engages in any act of bullying is subject to appropriate disciplinary action including suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern, if any, of the bullying behavior shall be taken into consideration when disciplinary decisions are made.

The Superintendent shall develop a comprehensive program to address bullying at all school levels. The program shall be aimed toward accomplishing the following goals:

1. To send a clear message to students, staff, parents, and community members that bullying will not be tolerated.

2. To train staff and students in taking pro-active steps to prevent bullying from occurring.

3. To implement procedures for immediate intervention, investigation, and confrontation of students engaged in bullying behavior.

4. To initiate efforts to change the behavior of students engaged in bullying behaviors through re-education on acceptable behavior, discussions, counseling, and appropriate negative consequences.

5. To foster a productive partnership with parents and community members in order to help maintain a bully-free environment.

6. To support victims of bullying by means of individual and peer counseling.

7. To help develop peer support networks, social skills, and confidence for all students.

8. To recognize and praise positive, supportive behaviors of students toward one another on a regular basis.

ADOPTED: October 9, 2001

BULLYING PREVENTION AND EDUCATION

The Board of Education supports a secure school climate, conducive to teaching and learning that is free from threat, harassment and any other type of bullying behavior. The purpose of this policy is to promote consistency of approach and to help create a climate in which all types of bullying are regarded as unacceptable.

Bullying is the use of coercion or intimidation to obtain control over another person or to cause physical, mental or emotional harm to another person. Bullying can occur through written, verbal or electronically transmitted expression or by means of a physical act or gesture. Bullying is prohibited against any student for any reason, including but not limited to any basis protected by federal and state law, including disability, race, creed, color, sex, sexual orientation (which includes transgender), national origin, religion, ancestry or the need for special education services, whether such characteristic(s) is actual or perceived.

Bullying is prohibited on district property, at district or school-sanctioned activities and events, when students are being transported in any vehicle dispatched by the district or one of its schools, or off school property when such conduct has a nexus to school or any district curricular or non-curricular activity or event.

A student who engages in any act of bullying and/or a student who takes any retaliatory action against a student who reports in good faith an incident off bullying, is subject to appropriate disciplinary action including but not limited to suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern, if any, of the bullying behavior shall be taken into consideration when disciplinary decisions are made. Bullying behavior that constitutes unlawful discrimination or harassment shall be subject to investigation and discipline under related Board policies and procedures. Students targeted by bullying when such bullying behavior may constitute unlawful discrimination or harassment also have additional rights and protections under Board policies and procedures regarding unlawful discrimination and harassment.

The Superintendent shall develop a comprehensive program to address bullying at all school levels. The program shall be aimed toward accomplishing the following goals:

1. To send a clear message to students, staff, parents, and community members that bullying and retaliation against a student who reports bullying will not be tolerated.

2. To train staff and students in taking pro-active steps to prevent bullying from occurring.

3. To implement procedures for immediate intervention, investigation, and confrontation of students engaged in bullying behavior.

4. To initiate efforts to change the behavior of students engaged in bullying behaviors through re-education on acceptable behavior, discussions, counseling, and appropriate negative consequences.

5. To foster a productive partnership with parents and community members in order to help maintain a bully-free environment.

6. To support victims of bullying by means of individual and peer counseling.

7. To help develop peer support networks, social skills, and confidence for all students.

8. To recognize and praise positive, supportive behaviors of students toward one another on a regular basis.

ADOPTED: October 9, 2001

RESOLUTION IN SUPPORT OF AMENDMENT 73

WHEREAS, the _____ Rangely School District RE-4 _____ Board of Education believes that every student should have the opportunity to reach his or her full potential and to participate meaningfully in the civic and economic life of the community; and

WHEREAS, the Colorado way of life provides every student the chance to succeed regardless of their zip code or their learning needs; and

WHEREAS, quality public education develops a competitive workforce that will drive a vibrant Colorado economy for decades to come; and

WHEREAS, Colorado is experiencing a teacher shortage crisis and many teachers in rural districts do not make enough salary to meet the cost of living; and

WHEREAS, Colorado's investment in education is lagging behind other states — Colorado ranks 48th nationally in personal income invested in education; and

WHEREAS, education funding has not recovered from the recession; in the 2018-19 school year alone, Colorado schools are underfunded by $672.4 million; and

WHEREAS, the loss to the __ Rangely RE-4 _ School District has been over $ 4,214.78 since 2009.

WHEREAS, reduced funding is directly impacting the District's ability to provide meaningful educational opportunities for all students; and

WHEREAS, the reduced funding also limits the Board's ability to respond to parents and community input on the District's programs and services, despite the Board's great desire to engage with and respond to its community; and

WHEREAS, Amendment 73 builds on the successes of Colorado's public schools by expanding students' educational opportunities to prepare them for success in college, career and life; preparing a qualified workforce for decades to come; and ensuring that Colorado's economic prosperity is shared with every community from corner to corner of the state; and

WHEREAS, Amendment 73 will bring Colorado's investment in public education closer to the national average by raising $1.6 billion dollars annually; provide sustainable support for schools by stabilizing school property taxes; provide additional funding for all students and address the most pressing needs of Colorado's public schools — specifically, funding for full-day kindergarten and a significant increase in funding for Early Childhood programs, Special Education programs, At-Risk students, English Language Learners and Gifted & Talented students; and

WHEREAS, Amendment 73 gives local school boards greater ability to respond to parent and community input and provide programs and services to meet the needs of all their students; and

WHEREAS, if Amendment 73 passes, the Board commits to focusing on the following priorities:

> *Hire, train and retain quality staff; teachers, administrators and hourly employees
> *Address deferred maintenance and deficiencies at facilities throughout the district
> *Support the social and emotional needs for a student at all levels

while acknowledging that priorities will evolve as community engagement is an ongoing process and revenue from Amendment 73 is annual funding; and

WHEREAS, the Board declares that Amendment 73 is a matter of official concern;

NOW THEREFORE, BE IT RESOLVED that the ___ Rangely School District RE-4 ___ Board of Education officially declares its support for Amendment 73 for the purpose of increasing funding of public education in the State of Colorado; and

The Board authorizes the expenditure of District funds to distribute a factual summary regarding Amendment 73, in accordance with the Fair Campaign Practices Act, C.R.S. 1-45-117.

ADOPTED AND APPROVED THIS _____ day of _____, 2018.

Newline's "Why"

Newline was founded to develop interactive solutions that are:

The Easiest-to-Use on the Planet

This is the cornerstone of Newline and it is key to our success. If a solution is not easy to use, we won't bring it to market.

Completely non-proprietary

We work in our customers' world, versus asking them to work in ours.

Our displays work with:

- Apple TV
- Smart Notebook
- ActivInspire
- Google Drive

- Google Docs
- Chromebook
- Snow Flake
- Hitachi Starboard

- MimioStudio
- Turning Technologies workspace
- And more!

We help you make an impact!

ideaMax

Simply incredible.

What sets IdeaMax ahead of the rest is simple: it's easy to use. No training needed. Newline Interactive put the focus on improving the user experience, and that's exactly what IdeaMax does. The user interface is simple, straightforward and designed for efficiency. The sole purpose of IdeaMax is to help increase productivity, making it easier for your organization to succeed.

Award-winning interactive solution.

IdeaMax software has been recognized throughout the industry for its excellence in innovation. Named Most Innovative Product by the North American Office Products Association, IdeaMax is guaranteed to help your organization move forward.

End the battle between Mac and PC users.

IdeaMax is designed to work with the operating system of your choice. IdeaMax's non-proprietary software allows you to save, share and send files in the format you choose, however you choose, on the platform you choose.

Experience the unlimited potential of productivity.

Record activity and audio from meetings or presentations, annotate and embed notes on existing documents or PowerPoint presentations, save or export documents in any format, print or email presentations to anyone. use Hand-writing-recognition to turn notes into text, incorporate multimedia content into any presentation, and more. Simply put, IdeaMax is the solution you didn't know you needed to increase interaction and raise productivity.

Something completely new that feels so familiar.

IdeaMax software uses icons you know. Want to record a meeting? Just click the camcorder. Want to grab and move your workspace? Click the hand icon. Need to type on the screen? Click the keyboard icon. These familiar icons will make your meetings more efficient and save you precious time in the process.

One button between you and the next big idea.

It only takes one button to save, share, send or interact with IdeaMax software. IdeaMax is made for business collaboration so you can save time in meetings. Increase interactions with clients, spread information easily and increase efficiency across the board with just one touch.

Bring ideas to life with the perfect display.

Combine the easiest-to-use software with the most advanced hardware to turn any room into a completely interactive, state of-the-art space. IdeaMax comes with every TRUTOUCH display and Interactive Whiteboard to give you the right tools for increased efficiency.

Newline | About Newline Interactive

WE HELP YOU
MAKE AN IMPACT
IN THE CLASSROOM

FOUNDED IN
2012

BASED IN
PLANO, TX

GROWTH
<3,000%

Our History

Newline Interactive is a manufacturer of award-winning interactive displays, intuitive software, and other interactive innovations that are easy to use and increase student engagement in the classroom. We are THE choice for schools looking for increased productivity and simpler solutions to help them succeed.

Founders Chris Bradford and Kevin Wang wanted to provide solutions for schools that help them find more ways to engage their students, train their teachers, and inspire more active learning.

They believe that truly successful and innovative products should be easy for anyone to use. Each product Newline has introduced follows their principle of simplicity, making each interactive flat panel user-friendly and completely non-proprietary.

Since 2013, Newline's interactive solutions have made it easier than ever to keep students engaged with tools designed for better collaboration and more ways to learn. Newline Interactive has worked with over a thousand school districts across the country, and has sold 24% of all interactive flat panels across the globe since 2014.

It is your passion to teach. Newline Interactive gets students excited to learn.

Our Mission

- Improved student engagement
- Overall educational success in the classroom

Newline | Which **TRUTOUCH** is Right for You?

Newline's interactive displays work great in conference rooms, classrooms, and any other collaboration space.

But which display best fits your needs?

The **TRU**TOUCH RS Series, **TRU**TOUCH VN Series and the **TRU**TOUCH X Series are all great choices, with many similarities that make them valuable in office spaces or the classroom.

Here is how the three displays compare and how they differ to help you decide which product would be the best solution for you.
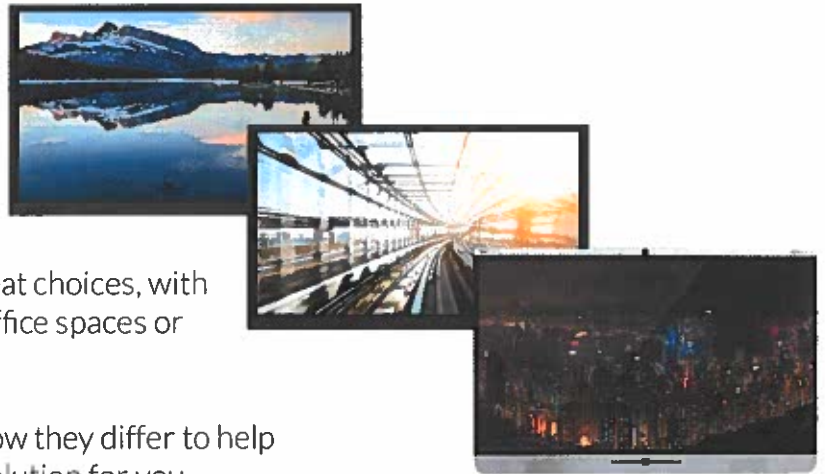

|	RS _Series_	VN _Series_	X _Series_
Ultra-High Definition 4K resolution bring you powerful images and more clarity.	✓	✓	✓
Non-Proprietary Use the Unified Collaboration (UC) software of your choice.	✓	✓	✓
Naturally Intuitive Designed to be easy so anyone to walk up to the display and start working.	✓	✓	✓
Access to the Cloud Quickly upload screenshots and files right to the Cloud Storage system you prefer.	✓	✓	✓
Native wireless casting The built-in TRUCAST Express app lets you cast from a laptop, tablet or smartphone effortlessly and seamlessly.	✓	✓	✓
Object Recognition Recognizes when you touch the screen with a finger or stylus, and changes between the highlighter and pen tools automatically.	✓	✓	✓
Optical Bonding Technology Display is optically bonded, making it thinner, lighter, and brighter, with a wider viewing angle (up to 178).		✓	✓
Integrated Cameras and Microphone Videoconferencing equipment is built into the display. No additional equipment or setup time required.			✓
OPS Included With Display An on-board computer brings the power of a desktop computer to your display.			✓
