NOTES

Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person among the district's many leaders.

Public participation is an opportunity to present brief comments or questions to the board for consideration or follow-up. Each person is asked to focus comments to five minutes and sign in on the podium.

The consent agenda is based around "need for action" decisions which are highly routine or backed by prior information and discussion.

If you are interested in helping the district's efforts, please speak with any member of the district or call the district office at 675-2207. Opportunities abound and your participation is highly desired.
