FREE/REDUCED LUNCH APPLICATIONS and STATE FUNDING – Part of school district state funding is based on the percentage of students who qualify for free/reduced lunches. Due to the COVID 19 Pandemic the Department of Agriculture will be providing funding to provide FREE lunches to all students **through December 31, 2020**. However, the district still has to provide to the Kansas State Department of Education our percentage of students who would qualify for Free/Reduced lunches for state funding purposes. Due to this, we would appreciate any family who has **not** filled out a form and feels they may qualify, to go ahead and complete the Free/Reduced Lunch application. At this time, beginning January 1, 2021, your child will be charged the lunch price based on your eligibility status from the form completed for the 2020-21 school year. Please call the district office at 785-527-5621 if you have any questions.
