SPECIAL EDUCATION PARENT SURVEY

Recently, 1,800 Kansas parents of students with disabilities were randomly selected by the Kansas State Department of Education (KSDE) to complete an online survey. The survey is 10 questions and the responses are used to help guide efforts to improve services and results for children and families receiving special education services in Kansas. If you are a parent who received one of the 1,800 orange postcards, and haven't gone online to complete the survey, please do so prior to June 1st. If you have questions, please contact KSDE at 785-296-7454. Thank you for your sharing in this important process.
