WELLNESS COMMITTEE

The USD #109 Wellness Committee would like to thank Gina Aurand and the Republic County Extension office for setting up booths at both buildings during Parent/Teacher Conferences. They had fliers with information on healthy habits.

THANKS !!!

We would also like to recognize all the Volunteers who are keeping the Fresh/Fruit and Vegetable Program going this year at East Elementary. The school didn't qualify for a grant from the State this year so the volunteers have been responsible for applying for local grant money and volunteers to keep the program going. The students really appreciate it. **THANKS !!!**
