How to Find Online Registration

1. Go to <https://powerschool.eastnoble.net> .
2. Or from www.eastnoble.net, run your cursor over the **PARENTS** link and then choose **REGISTRATION**. Once there, click on the **POWERSCHOOL PARENT PORTAL** link.

How to Register Online

1. After you arrive at the PowerSchool Parent Portal, enter the username and password associated with your account and click SIGN IN. (If you have never created a PowerSchool parent account or have forgotten your username and password, follow the instructions at the end of this document. *If you have never registered your child/children at an East Noble School, please visit the school which your child will attend to receive the information you need to register.*)
2. Choose the child you wish to register by clicking the name on the top of the screen. Then click **EAST NOBLE REGISTRATION** on the left side of the screen.

3. You will be redirected to an introduction screen. Read the information carefully, and then click **NEXT**.
4. Much of your child's information should be filled in automatically. Double check all fields for accuracy.

TO COMPLETE AN ENROLLMENT FOR ANOTHER STUDENT

This process must be completed for each child attending East Noble School Corporation. To begin another Registration, please return to the PowerSchool Parent Portal (<https://powerschool.eastnoble.net>) and select your next child. Once you have chosen **INFOSNAP ENROLLMENT** again, it will then ask you if you would like to transfer the information from your first child to the second child. Select **YES** if you would like the majority of the information transferred over. Then click **CONTINUE**.

Select YES if you would like the information from your first child transferred over to your second child to speed up the enrollment process.

The screenshot shows a web form titled "Enrollment". The text on the page reads: "You've previously submitted the Enrollment for Colby. * If you are not, Joanne (jooch@eastnoble.net), click here." Below this, it says: "Infosnap can make the process for Kaleb easier by snapping available information from your previously submitted form. You may still change the information if needed. This is just a way to ease the process." Then it asks: "Please make your selection below and click the Continue button." There are two radio buttons: "Yes, please snap available information" (which is selected and has a red arrow pointing to it) and "No thanks". At the bottom of the form is a "Continue" button. The footer of the page reads: "Online Services Powered By InfoSnap, Inc. © Copyright 2008 - 2014. All rights reserved. | Privacy | Security | Contact Us".

IF YOU HAVE REGISTERED ONLINE BEFORE BUT HAVE FORGOTTEN YOUR POWERSCHOOL PARENT PORTAL USERNAME AND PASSWORD:

1. Enter the following URL into your web browser: <https://powerschool.eastnoble.net>.
2. Click on the link **FORGOT USERNAME OR PASSWORD**

The screenshot shows the PowerSchool login page. At the top is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two tabs: "Sign In" and "Create Account". Below the tabs are input fields for "Username" and "Password". To the right of the "Password" field is a link that says "Forgot Username or Password?". A red arrow points to this link. At the bottom right is a "Sign In" button.

3. If you know your username but forget your password, click on the "Forgot Password" tab, and enter the username and email address associated with your account. You will be emailed instructions to reset your password. If you have forgotten your username also, click the "Forgot Username" tab. Enter the email address associated with your account. You will be emailed your username.

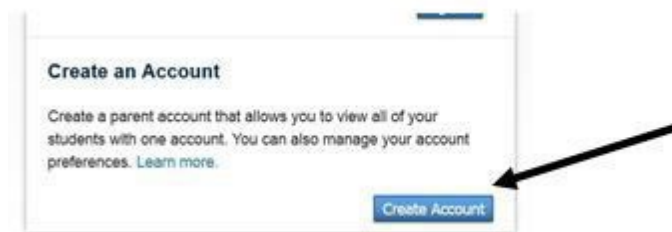

The screenshot shows the "Recover Account Sign In Information" page. At the top are two tabs: "Forgot Password?" and "Forgot Username?". Above the "Forgot Password?" tab is the text "Know Username but Forget Password?". Above the "Forgot Username?" tab is the text "Forget Your Username?". Below the tabs is a form with the heading "To recover your account sign in information, provide the information below". The form has two input fields: "Username" and "Email Address". At the bottom right of the form is an "Enter" button.

4. Once you have received your username or reset your password, log into PowerSchool using the instructions above to enroll your child.
5. **If you do not remember the email address you used to create your account or that account no longer exists, you will need to create a new account with a different email address.**
 - o If you need an email account, there are numerous places you can apply for one on the internet--try gmail.com, outlook.com, and others to create an email address you can use permanently. Once you have an email address to use, follow the instructions for First Time Use below to create a new account.

FIRST TIME USING POWERSCHOOL'S PARENT PORTAL

1. You should have received a letter in the mail with your child's Access ID and Access Password. If you have not received a letter with this information, contact your child's school.
2. Enter the following URL into your web browser: **https:powerschool.eastnoble.net** .
3. At the bottom of the screen, you will see a section called "Create an Account." Click on the button that says **CREATE ACCOUNT**.

4. Enter the requested information at the top of the screen for creating your account. The email you choose here will be the email that will be contacted should you forget your username and password later on.
5. Under the "Link to Students Account," you will need to enter the student name, Access ID, Access Password, and Relationship for each child in your family. (You should have received an individual letter for each of your children with these codes.)
6. Once you have entered your child or children's access ID and passwords, click "Enter."
7. It will then allow you to log in using the account information you specified. Follow
