

RTI Reading Interventionist
Direct Report To: Principal

The interventionist is responsible for supporting student achievement in the areas of reading with special attention to Tier 2 and Tier 3 instruction. The interventionist will provide individual or small group instruction to students who are struggling academically and who have been identified as needing additional interventions.

- Write individualized and/or small group plans detailing methods and materials in alignment with our RTI curriculum
- Meet regularly with the RTI coordinator to discuss students' progress and data
- Maintain accurate records of students' progress and attendance in sessions
- Participate in parent conferences and coordinate all communication with parents in conjunction with RTI Coordinator
- Meet with teachers to review data and fidelity reports
- Participate in Tier 1 fidelity checks with RTI Coordinator
- Throughout the course of the year work with the RTI Coordinator to pilot a small math and SEL RTI program
- Work with the administration to explore a pilot GT program in limited grades

Preferred qualifications:

- Bachelor's degree in education
- Advanced reading certification
- Familiar with the RTI process and the Tiers of instruction
- GT endorsement/certification or in the process of obtaining
- Experienced classroom teacher with a phonics based approach to reading instruction
