December 22, 2020

Dear Parents and Community Members,

We would like to wish you a Merry Christmas and Happy New Year. 2020 turned out to be a very challenging year. However challenging, the coronavirus cannot defeat the American Spirit.

Pecatonica Schools were able provide in-person instruction for the first semester and we look forward to continuing this for the second semester. As we have mentioned previously it takes a community to educate students. It is through great efforts we have been able to stay open. I cannot thank our teachers and staff enough for their dedication and commitment. Our community, parents, guardians and grandparents have been extremely supportive. Thank you to our parents, guardians and grandparents who provided guidance and supervision for our students who either chose to go remote or were quarantined.

We are excited to introduce Carl Carlson as the next superintendent of Pecatonica Schools. Carl, an alumni of Pecatonica Schools is currently the superintendent of Putnam County School District. Carl will start on July 1, 2021.

As we enjoy the Christmas and New Year holiday break please be safe. Again, we are committed to student and staff safety. It is essential, in order for us to continue to stay open, that everyone continues to do their part. We also acknowledge the concerns regarding the possibility of increased transmission over the holidays. Please keep any students home who have any of the symptoms or situations on the self certification checklist.

Merry Christmas and Happy New Year!!!!!!!!!!!!!!!!!!!!

Bill Faller
