SCHOOL DISTRICT NEWSLETTER | DEC 2020

DISTRICT TRANSITIONED INTO SHORT TERM VIRTUAL LEARNING

I hope this newsletter finds you healthy. It goes without saying this school year has been unlike any other.

I know many of us had reservation and concern about the reopening of schools this fall. The school board, administration and staff spent a great amount of time this summer reviewing, researching, and discussing the best way to start the school year. The reopening plan followed the recommended procedures, practices and protocols set forth by the Centers for Disease Control, Wisconsin Department of Health Services, and the Clark County Health Department for reopening our schools in the safest manner possible this fall.

As I write this column, we are completing our 12th consecutive week of in-person instruction in Greenwood Schools! We all know that in-person instruction for our students is the best, but we also know a pandemic continues to surge in our country, state and county.

MR. TODD FELHOFER
DISTRICT ADMINISTRATOR/
MIDDLE-HIGH SCHOOL PRINCIPAL

On November 17th, the School Board and administration determined the conditions in our schools and in the area were such that a short transition to virtual learning was the prudent thing to do. The District transitioned to virtual learning on Monday, November 23rd through Friday, December 4th. We plan to return to in-person instruction on Monday, December 7th.

The School Board and administration will continue to monitor the conditions in our schools, community and county and make minor adjustments or major changes in our operations as the year unfolds to help ensure the best educational opportunities for our students and to best keep students and staff safe and healthy.

I am certain that one of the main reasons we have been able to stay open for as long as we have was our students'

acceptance of wearing masks. I am very proud of them! I am also very thankful for the support from our parents on this issue. It is the continued commitment and perseverance to mask wearing, physical distancing, and the washing and sanitizing of hands that will provide us the best chance to maximize in-person instruction.

Finally, as we head into the holiday seasons, it is important to be COVID aware: masks, physical distancing, and hand hygiene are all important not only at school, but at home and in the community.

THE GREENWOOD FFA DONATES MILK TO LOCAL FOOD PANTRY

The Greenwood FFA has been partnering with the Greenwood Food Pantry to provide milk to community families throughout this summer and fall. The Greenwood FFA used funds from a Living to Serve grant to complete the project.

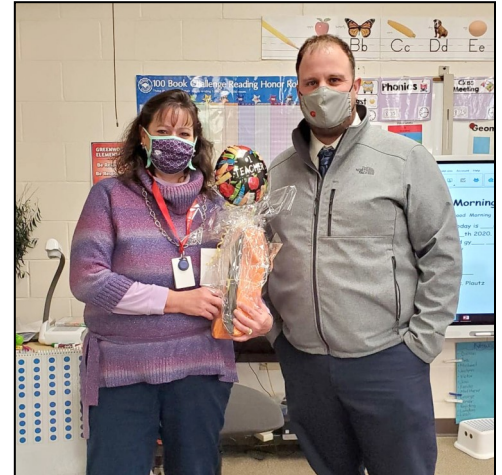

CRYSTAL APPLE TEACHERS OF DISTINCTION ANNOUNCED

The 2020-21 Crystal Apple Program kicked off in September with students invited to fill out teacher nominations. A record number of Crystal Apple nominations were submitted this year, **1313**, for **346 different educators**. After the votes were tabulated, the Greenwood Schools 2021 Crystal Apple Teachers of Distinction selected were Mr. Brad Helsten, Greenwood Middle-High School Mathematics Teacher and Mrs. Julie Plautz, Greenwood Elementary 1st grade teacher.

Mr. Helsten and Mrs. Plautz are two of the 25 Teachers of Distinction in the Marshfield area honored on Wednesday, November 11th. They will meet virtually with the Crystal Apple selection committee during the next step of the Crystal Apple Teacher of the Year process.

Loyal-Greenwood Cross Country Highlights

BY HANNAH OLSON
CO-HEAD COACH

Although looking much different from past years, our Loyal-Greenwood Cross Country team was once again able to complete a full season of running and competing. Greenwood had eight runners compete on our middle and high school teams this year. Leading the way for our varsity boys was Junior Avrey Horvath. After missing a berth to the State meet in 2019 by one place, he came back strong and qualified as an individual for State this season. Avrey is the first runner from Greenwood to qualify for the State Cross Country meet since 2004. Ashtin Palms and Cody Eckes also had strong seasons for our boys team and have set the bar high for future years.

The girls team was led by two strong Senior runners, Rylan Lindner and Savannah Schley. As a team, both the varsity boys and girls ran a great season, including taking the top spot in a combined five meets. At the Conference meet, the boys team finished in 5th place overall with Avrey Horvath earning 1st Team All-Conference honors. The girls team placed 4th overall with Rylan Lindner earning 2nd Team All-Conference honors.

During a season full of ups and downs, all of our runners were amazing to work with. Our youth truly are resilient, hard-working and strong. Be proud Greenwood.

With an abbreviated volleyball season this fall, playing only one third of the regular schedule, with conference games being top priority, the girls finished with a 2-5 record for a 5th place finish in the conference.

We lost to Assumption in the second round of regionals to end the season.

Two girls were named to the Eastern Cloverbelt All Conference team. Junior Alane Artac received 2nd team honors while Senior Celine Wuethrich was named Honorable Mention. Below are highlights of these girls in action.

program. We have been adjusting to our classroom and the long school day. We are working on our daily routine and learning where everything important is in our classroom and school (our cubbies, the bathroom, the lunchroom, etc.). We have also been having a lot of fun getting to know all of our friends by sharing things from home in our "Me Stew" bucket. During the month of September we talked about apples and made applesauce in our classroom. During October we learned about fire safety, how pumpkins grow, and practiced our counting skills and shapes by

making a shape jack-o-lantern. We also designed a monster after reading the book [I Need My Monster!](#) Then Mrs. Jaenke and her students made them come to life in her

sewing class. They turned out great and the kids loved them! We are very excited about being in school and learning new things every day!!

GREENWOOD PARTICIPATES IN THE NOW PROGRAM

The Nutrition On Weekends program is a collaborative, community effort to target childhood hunger. The program provides healthy, ready-to-eat nutritional foods for children during the weekend.

The program was created in response to data collected from Marshfield students as part of the Youth Risk Behavior Survey. In 2012, 20% of students surveyed indicated he/she had gone to bed hungry at least once in the past thirty days because there was not enough food in the home. In 2015, this percentage increased to 23%.

A pilot of the program began serving twenty-nine children in the Marshfield School District in October 2013. Since then, the program has grown to serve 250-300 students weekly on an annual basis in the Marshfield, Auburndale, Granton and Spencer School Districts. In

2016-17 Loyal and Greenwood School Districts were also been added to the program. With the addition of these two school districts and our early enrollment

numbers we anticipate this being our biggest year yet.

* Numbers fluctuate throughout the school year.

This school year, every other week during the school year, each family will receive a food package containing items for breakfast and lunch for the week.

TO HELP GUARANTEE THE NOW PROGRAM TO BE A SUCCESS, DONATIONS ARE NEEDED THROUGHOUT THE YEAR TO MEET THE NEEDS OF OUR CHILDREN.

Donations can be dropped off at either school office. Please see the wish list of items for donations at right.

FOOTBALL SEASON HIGHLIGHTS & AWARDS

The 2020 Football season was definitely a season with

**BY HEAD COACH
CHRIS SCHMITZ**

some ups and downs! Before the season even began, we didn't know if we would even get the change to play. The delay in the season put us with our first game of 8-man football against the #2 ranked team in the state, followed by the #6 ranked team. We learned from these two games quickly and went on to win 6 games in a row. The team averaged 52 points per game with our final game of the season at Three Lakes for our first playoff win in 6 years. Unfortunately, the season was cut short due to Covid epidemic.

This group of young men came to practice every day not knowing if they would play Friday night or not. We were lucky enough to have Zaleski Sports cover our season the entire way, with both live game coverage and our own season of Hard Knocks for those who could not make it to the games. This is the season of what could've been and we'll never know, but at least the boys got to play.

2020 GREENWOOD FOOTBALL TEAM

Records broke this season in 8 games:

- All eight seniors scored in one game.
- Highest points per game—80

- Highest points per quarter—46
- Rushing yards per game—328, which is better than 2011 State Championship team with 310, 1996 State runner-up team with 306, and the 1990 State Champion team with 303.
- Sully Whitford averaged 10.6 yards per carry for the season with the previous record held by Gene Sowiejka of 10.2 in 1968.
- Westen Schmitz holds the record for most receiving yards per game with 160 yards, total career receiving yards of 844. This record was previously held by Andy Sandelier in 2006 with 817 and touchdown receptions with 12 which was previously held by Terry Scheuerman of 9 in 1984.

GREENWOOD DRAMA 1-ACT PLAY ADVANCES TO VIRTUAL STATE

BY DIRECTOR JO ELMER

The Greenwood Drama Departments production of "Our Place" has made it through Districts, Sectionals and has advanced to the State competition set to be judged virtually on December 12th. This has been a challenging year for drama with Covid-19 being a major obstacle in the production. Wearing masks, social distancing, and not performing for an audience were just some of the issues that had to be dealt with. Add in quarantined students, video taping the production, and did I mention masks?

With all the obstacles, this group has stepped up to the plate to perform an amazing production of "Our Place." This play was chosen due to the four scenes and small group practices. The first scene involves a teenage boy bringing his new girlfriend to the lake and making big promises to her. However when his old girlfriend comes, she calls into question whether the new girlfriend can really trust her guy. The second scene involves a middle aged woman bringing her father with dementia back to the lake where he taught her how to fish, in hopes of jogging old memories. In the third scene, a dad decides to take his wife and 2 daughters on a family canoeing trip, but things don't go exactly as planned. The fourth scene involves a troubled boy dealing with his sister who has followed him to the lake, but this scenes ends in tragedy.

The epilogue sums up how we all have a place that has memories, good and bad. The cast brings out the emotions

Greenwood Athletic Booster Club

The Greenwood Athletic Booster Club is an organization dedicated to promoting athletics in the Greenwood School District while encouraging excellence and individual growth for our student athletes.

WHO: Membership is open to all friends of Greenwood Athletics...parents, grandparents, alumnus, faculty, businesses or anyone wanting to help support our sports programs.

WHAT: Membership is \$10 per family/business each school year. Meetings are typically once a month (almost always under one hour) and three major fundraisers: Football Tailgate Party, Chili Feed, Alumni Basketball/Volleyball Tournament. ***This year we have suspended meeting since our major fundraisers have been cancelled.***

WHERE: Meetings normally are held in the High School library

WHEN: Meetings would be held the first Wednesday night of each month at 7:00pm.

WE NEED YOUR HELP!!

The Greenwood Athletic Booster Club has been helping fund Greenwood Athletics since 1986. The Club has raised funds and contributed **over \$50,000 in the past ten years alone**. Funds are used for uniforms, equipment, supplies such as towels, field repairs/improvements, motivational speakers, scholarships/awards, as well as larger items such as the hydration station, basketball shooting machine, volleyball hitting machine, pitching machines, track tent and ice machine. This past year Booster Club contributed towards football uniforms, baseball and softball equipment, youth basketball uniforms and a new fence and the city softball field.

Due to COVID restrictions, the Booster Club had to cancel the Alumni Tournament this past spring. We weren't able to have a Tailgate Party this fall. We have suspended all meetings and in-person fundraisers. Because of this, it was decided to proceed with a membership drive even though our club has been unable to operate as normal. Membership dues will help off-set the loss of monies from cancelled fundraisers. We are currently working on options for fundraisers that would be appropriate under the current circumstances, and we will be communicating those ideas to our members.

The Greenwood Athletic Booster Club has been a very important part of the Greenwood Athletics Programs. Please help us continue the tradition with your membership!!

Thank you for your continued support!
