

OCH Kids

CARING FOR THOSE WHO NEED IT MOST!

As a parent, you have a lot of options when you're looking for a healthcare provider for your children. OCH Kids provides care for patients of all ages. Whether your child needs a regular checkup or more specialized care, our team is ready with the experience and compassion to help your little ones grow. Because while they may be small, their health is a big deal!

PRIMARY CARE SERVICES

- Vaccinations
- Well Child Checkups
- Same Day Sick Kid Visits
- Foster Physicals
- Free Sports Physicals

BEHAVIORAL HEALTH SERVICES

- Family Therapy
- Medication Management
- Child and Adolescent Therapy
- Psychotherapy (Mental, Emotional & Behavioral Problems)

INTEGRATED CARE SERVICES

Let our Community Health Workers (CHW's) help you with eligibility screening for public assistance programs including P-SNAP and SNAP, as well as connect you to additional community resources such as housing assistance, food banks, legal services, transportation resources, etc.
