Greetings Members of the Sand Point Community:

As you will see from the attachment below, on Friday October 30, 2020 a Sand Point resident tested positive for COVID-19. The individual is in isolation in Anchorage and after consultation with EAT CEO Paul Mueller, there is currently no identifiable threat to Sand Point School. School will be operating on a normal schedule on Monday November 2, 2020 and beyond. If there is any change in this scenario, I will provide an update.

Sincerely,

Patrick Mayer,  
Superintendent
