Greetings Members of the AEBSD Community:

Today, October 8, 2020, the AEBSD became aware of a positive COVID-19 case in King Cove. Please see the attached document from EAT CEO Paul Mueller. Mr. Mueller and I have been in contact all afternoon and contact tracing has been highly successful. The individual involved is in isolation, and there appears to be no threat to the operations of King Cove School.

King Cove School will be open as usual tomorrow October 9, 2020.

Mr. Mueller and I will be in contact tomorrow morning, as we are every day, and if there are any changes related to today's announcement we will notify the community as appropriate.

Note: *King Cove School is routinely sanitized based on CDC guidelines.*

Sincerely,

Patrick Mayer,
Superintendent
