

## PROMOTION AND PLACEMENT

According to New York Education Law, "school districts are required to annually notify the parents and persons in parental relation to the students attending this district of the district's grade promotion and placement policy along with an explanation of how such policy was developed."

### **Grade Promotion and Placement**

Grade promotion and the placement of students within the District's instructional system will be at the discretion of the school administration and will be subject to review at any time. In making these decisions, the administrator or building principal will be guided by: performance in class; past records, including various measures of student growth; recommendations from parents, persons in parental relation to District students, and teachers; and any other appropriate sources of information. With regard to student placement decisions, parents or persons in parental relation to District students may submit written requests for teacher attributes that would best serve their child's learning needs; however, requests for specific teachers will not be honored.

### **Testing Program**

The District utilizes various ability, achievement, diagnostic, readiness, interest, and guidance tests for the purpose of complying with state and federal law and/or aiding the implementation of quality educational services. The District will not make any student promotion or placement decisions based solely or primarily on student performance on the state administered English language arts and mathematics assessments for grades 3 through 8. The District may, however, consider student performance on state assessments in making student promotion and placement decisions provided that multiple measures be used in addition to these assessments and that these assessments do not constitute the major factor in these determinations.
