Whatever it takes, Manton students are worth it!

July 2, 2020

Two days ago Governor Whitmer released Michigan's 2020-21 Return to School Roadmap. Our school district is required to come up with three different plans depending on which phase of reopening we are in. Over the next couple of weeks we will meet with various committees on the local and ISD levels to finalize those plans. As soon as those plans are finalized we will share those with you. Right now we are in phase 5 of the reopening plan meaning we will have face to face instruction on August 26, 2020, our first day of school. We are not yet sure what that day will look like, but again hope to share that with you as soon as the plans are complete. For parents who wish to not yet send their children to school, because of Covid, we will have on-line options for you. Again, we are in the midst of planning those on-line options as well and will make those available to you soon, so that you can make the best choice for you and your child regarding school in the fall. Thank you, and have a safe 4th of July weekend!

Sincerely,

Leonard Morrow
Manton Consolidated Schools Superintendent
