

Warrior Parent/Student Communication From Mr. Perdue

**Plan for eLearning
Beginning on Tuesday, January 5th**

Warrior Families,

I hope everyone had a wonderful Christmas and I wish all of our Warrior families a Happy New Year! I wanted to take a few moments and remind our students of their schedule as we begin second semester. We will begin second semester with eLearning from January 5th - 8th. Virtual students please check your school email for updates and be sure to check your courses and reach out to us if you need assistance.

I have provided our eLearning schedule for in-person students and the expectations for each day. Students are to login to Schoology in REAL-TIME. Each class has an attendance quiz that opens during the times listed below. Most every class will have some type of ZOOM meeting - this is NOT optional, students will get their content this way and need to attend. Teachers and support for students is during the school day, which is another reason why it is so important they login real time. If a student is on quarantine, they should be doing eLearning each day they are out. This is not a break from school, they should still login and attend their class meetings and do assignments.

Unless, the student is ill, specifically too ill to work. If your student is too ill to work on eLearning, a parent/guardian needs to call our office and we'll mark them absent.

Our main office will be open during eLearning scheduled days from 8:00 to 3:00 p.m. Also, at this time all ECA's and athletic practices and contests will continue their normal schedule January 5th - 8th.

The image is a vertical graphic titled "ELEARNING SCHEDULE JANUARY 4 - 8". At the top left is the "WB" logo.
