

**CROSWELL-LEXINGTON
COMMUNITY SCHOOLS**

1/1/2021

First, I begin this District Update with the hope that all our Cros-Lex Families are enjoying this holiday season, staying healthy, and finding time to relax in advance of returning to school next week.

It is with great enthusiasm that I share with you that our schools are scheduled to resume for all face-2-face (f2f) and virtual students next week! Since Monday January 4th is a full day of professional development for our staff members, **all students (virtual and f2f) will be resuming classes on 1/5/2021.**

Also, I am pleased to announce that middle and high school sports seasons are scheduled to resume/begin as well! On December 23rd, the Michigan High School Athletic Association Executive Director Mr. Mark Uyl, shared with all Athletic Directors across the state, the contingency plans to begin the winter sports seasons for both middle and high schools' levels athletic programs. Please feel free to contact the athletic departments at CLMS, or CLHS for updated information.

In closing, as we all know, even though 2020 is now history, all school districts still remain under the direction of the Michigan Department of Health & Human Services orders. I thank you in advance for your continued cooperation working together with our school district to ensure we keep each other healthy, and for our schools to stay open to our students who chose f2f, in person learning.

Happy New Year and Go Pioneers!

Sincerely,

Daniel Gilbertson

Superintendent
