

Magnolia Middle School

Expectations for Quarantined Students

Effective January 4, 2021

- Quarantined students will check Teams for each class every day looking for new Announcements and Assignments.
- Quarantined students will follow Assignment instructions and **complete work by the specified due dates.**
 - Quarantined students will not wait until their return from quarantine to complete Assignments.
- Quarantined students must communicate with their teachers.
 - If help is needed for any Assignment, teachers will be available during school hours.
 - If unable to complete Assignments for any reason (illness, tech issues, etc.), teachers must be told immediately. They are available through Chat in Teams, by email, and by phone.
- If teachers offer live video lessons during class time, quarantined students should log onto Teams to participate. Instructors will provide this information if this option is available.
- If internet access is an issue, quarantined students may request use of a Wi-Fi device to be used during their period of quarantine. (MSD Tech Department: 870-901-2544)
