Happy New Year EGF ISD 595 Families and Staff Members!

I hope all of you have had a positive start to 2021! The holiday break was nice, but I am very excited to see students and staff members back in the buildings tomorrow! Please take a little time to review the following information and feel free to contact me if you have any questions or concerns.

Symptom Screening Reminder - It is very exciting to have students back in the buildings and being allowed to start winter activities! In order for us to continue with in-person instruction and running activities, the school district needs everyone to be diligent with symptom screening at home and reporting COVID related conditions. PLEASE screen your children daily and do not send them to school or activities if they are experiencing COVID related symptoms. Your cooperation is greatly appreciated!

Thank you!
