January 3, 2021

As we return from the blessed but tumultuous holiday, I personally want to express my appreciation for your continued support. Everyone has diligently worked together and stayed focused on safety, and I am extremely grateful for your dedication to our purpose.

After continual monitoring of the COVID 19 data for Brooks County provided by the Health Director of the South Health District during the break, there is no indication that classes should not resume Tuesday, January 5th as originally planned. We will, however, continue the practice of offering the options of face-to-face or virtual learning until further notice.

Once again, thank you for your dedication to Brooks County School System! It is an honor to take part in “a work in progress” as we watch the students grow physically and scholastically while we “Pledge to inspire and educate every student”.

Sincerely,

Dr. Vickie Reed
