### Did you know?

January was a monumental year for Alaska! As of January 3rd, 1959, Alaska officially became the 49th state of the United States.

During the 2020-21 school year, breakfast and lunch is served at NO COST to ALL students regardless of the household's economic status. A la carte items are available for purchase as requested such as extra milk, bottled water, etc. Students who bring lunch from home may still select at least 3 components from the daily menu for FREE. For further questions, contact the school cafeteria manager.

Friday meal deliveries will continue through the month of January. To request a Friday meal, parents need to complete the online Friday Meal Service survey located on each school website by Thursday of each week or you may contact the school cafeteria manager to provide your meal count and delivery address.

Digital learners may receive a FREE meal each school day by contacting the school cafeteria manager each morning by 8:30am to request a meal for pick-up.

Milk choices offered daily with breakfast and lunch include: 1% white and 1% chocolate.
