**Failing students are the ones who should be invited and attending Friday remediation.

## Pros for Option A

*Increases student participation and performance.

*Provides needed structure to the student's instructional day in order for them to be successful.

*Maintains/builds relationships to support the students success

*"Face to Face" in a virtual environment

*Help alleviate dropouts

*Alleviates scheduling issues. (BCCC/NCVPS)

*Majority of teachers support Option A

**TEACHING/LEARNING TIME**

During the scheduled block both teachers and students stay online. Students do not exit the ZOOM classroom until the teacher dismisses them, ON TIME, at the end of the block. This will provide the teacher the ability to provide direct instruction, synchronous and asynchronous instruction, work time, and time to be available for any questions or concerns the students may have.

**INSTRUCTION**

While this schedule will provide you with daily times to meet the students, you will STILL NEED TO LESSEN the amount of work because it is still a **REMOTE LEARNING ENVIRONMENT.** This includes synchronous ZOOM work, asynchronous assignments, homework, etc.. **DO NOT TRY TO REPLICATE A 90 MINUTE BLOCK INTO THE 60 MINUTE BLOCK.**

When you are planning, ask yourself what is the most important information/skill/topic my students need to understand to be successful in learning the content. Does this class need homework assigned? Be considerate of students out of school time. Please continue to include SEL components in your lessons.

**ZOOM REQUIREMENTS**

Let students know that they are to show faces on the screen.
Let students know they are expected to actively participate in class.

**ATTENDANCE**

When students aren't at a ZOOM meeting, the parent needs to be called by the teacher. Enlist the help of the other students to call the student while they are on Zoom to get them to come to class.

Parents will be notified that they will need to communicate with the classroom teacher regarding each absence the student has in each class.

# INFORMATION FOR STUDENTS

**WELCOME BACK!**

As a reminder, we have school every day, 4 blocks each day Monday–Thursday. Friday is a remediation day. School **IS IN** session and you are to attend ALL 4 blocks!

**TEACHING/LEARNING TIME**

During the scheduled block both teachers and students stay online. Students do not exit the ZOOM classroom until the teacher dismisses them ON TIME at the end of the block. This will provide the teacher the ability to provide direct instruction, work time, and time to be available for any questions or concerns the students may have.

**INSTRUCTION**

Students are expected to attend ZOOMS and complete coursework during and outside of class time.

**ZOOM REQUIREMENTS**

You are expected to show your face during your class time on Zoom. Simply logging in and tilting your screen is no longer acceptable. If you have bandwidth issues when using video, it is **YOUR** responsibility to contact the teacher. **It is your responsibility** to let your teacher know about any technology problems you may be having.

You are expected to  actively participate in class.  You need the feedback from your teacher. It is no longer acceptable to just turn on your camera and sit. You must be an active participant in your education.

**ATTENDANCE**

When YOU  aren't at a ZOOM meeting, your parents will be called by the teacher.

Parents will be notified that they will need to turn in to the classroom teacher a note for each absence the student has in each class.
