

Public Schools of Robeson County  
School Owned Band Instruments  
Contract of School Year **school year**  
**school name**

The instrument remains property of the Public Schools of Robeson County. The instrument will be issued in good playing condition or the school will pay for its repair. The school will also pay for any normal maintenance required during the contract period (corks, pads, stuck tuning slides, etc.) The borrower will pay for any damage to the instrument produced by negligence or abuse. The instrument will be returned at any time upon request of the director or school administrator. If the instrument is lost, destroyed, or stolen during the period borrowed, the borrower will compensate the school for the loss, at replacement value. After use of the instrument, the student will return the instrument in "good playing condition", which is the way the student received the instrument. If the instrument is not in "good playing condition," the student will take the instrument to the repair shop to put the instrument back into "good playing condition" before returning it to the school director or school administrator.

**The purchase of reeds, cork grease, valve oil, rosin, mallets, ligatures, mouthpieces, and other consumable items will be the responsibility of the borrower.**
