

J&J Sanitation Scholarship Program & General Requirements

Scholarship Name: J&J Sanitation at Large Scholarship

Overview of Scholarship Program

J&J Sanitation is offering a \$1500 scholarship for the 2021--2022 school year. This scholarship is open to any senior or college student that attended a High School in the J&J Sanitation Service area that includes the counties of Knox, Antelope, Sherman, Holt, Garfield, Boyd, Keya-Paya, Brown, Rock, Blaine, Loup, Wheeler, Valley, Greeley, Custer, Charles Mix, and Gregory. This will be paid directly to the institution that the recipient will be attending. This will be paid out in the Fall semester of 2021.

Award preference will be given to those who are majoring in the following fields: Diesel Technician, Mechanical Maintenance, CDL training, Environmental Service Fields, and Business Management.

Application Requirements

- Contact information (Name, Mailing Address, Phone Number)
- State the title of the scholarship you are applying for
- Include the High School you are currently attending or graduated from
- GPA
- List your activities / extra curricular involvement
- The college or institution you will be attending
- Your major or field of study
- Statement of financial need; other scholarships you may have already been awarded
- Please include a 200 – 500 word essay in response to the following questions:
 - o *What industry are you going into and what motivated you to study this?*
 - o *How will this scholarship be utilized in advancing your education?*

Please submit your application to J&J Sanitation by March 15th, 2020.
