## STUDENT INSTRUCTION

Human Sexuality Instruction

The District recognizes the right of a parent or guardian to withdraw a child from instruction or an organized school function regarding human sexuality instruction. Such withdrawals will be classified as an excused absence.
"Human sexuality instruction" means teaching or otherwise providing information about human sexuality, including intimate relationships, human sexual anatomy, sexual reproduction, sexually transmitted infections, sexual acts, sexual orientation, gender identity, abstinence, contraception, or reproductive rights and responsibilities.

## Annual Notice and Availability of Materials

The District shall annually notify the parent or guardian of each student scheduled to be enrolled in human sexuality in advance of the instruction regarding the basic content of the human sexuality instruction intended to be taught and the parent or guardian's right to withdraw the student from such instruction.

## 48-Hour Notice

Parents and guardians will be notified at least 48 hours prior to holding an event or assembly or introducing material for instructional use.

## Annual Availability of Materials

The District will make curriculum materials used in human sexuality instruction available for public inspection before use. This will occur on an annual basis.

## No Abortion Curriculum

In compliance with Montana law, the District will not allow personnel to offer, sponsor, or furnish any course materials or instruction relating to human sexuality or sexually transmitted diseases if the person or entity provides abortion services.
