January 6, 2021

Dear Salt Creek District 48 Families,

I hope that you had a wonderful holiday and that you are excited about the prospects that 2021 will bring us.

I am excited to announce that students will begin returning to our schools on Monday, January 11th. As we had mentioned previously, students in preschool, kindergarten, and first grade will return on January 11th following hybrid model that we provided earlier in the fall. We have also invited select students from our second – eighth grades to come to school on a daily basis. The initial composition of some of these students will be from our special education and EL populations. Families of these students who have been identified to return to the hybrid model received phone calls earlier this week.

All of our second and fifth grades will be invited to return on Tuesday, January 19th utilizing our hybrid model as well. In addition, all of our third and fourth graders will be invited to return on Thursday, January 21st utilizing our hybrid model.

We will provide an update regarding when the remaining middle school grades will return by the end of the week.

Please contact your school principal if you have any further questions.

Thank you for your time today.

Sincerely,

A handwritten signature in blue ink that reads "Jake Chung".

Dr. Jake Chung
Superintendent of Schools
