

K-12 RCAPS Families

Starting on January 15th we will begin doing an **OPT-IN weekend meal** delivery system for K-12 students to be sent home with students. You **must** sign up to have weekend meals sent home on Friday with in person student(s). When you sign up it will be for the remainder of the month, you will not be able to opt out until the following month. We will be conducting weekend meal delivery this way for the remainder of the year unless we change to district wide remote learning. The reason for this move is due to the overwhelming amount of wasted meals we are seeing on school grounds and in town.

Signups will be accepted weekly through Wednesday at 4 pm to get your weekend meals sent home on Friday of that same week with your student(s). Signup is effective for the entire month.

You may sign up by calling 832-2840 or emailing tconnell@reedcityschools.org.

You must state your student(s) name, teacher (for grades K-4) and building when signing up. Middle and High School student must come to the café to pick up their meals on Friday afternoon.

This **DOES NOT** apply to 7 day meals, if you have student(s) or children not enrolled in RCAPS or they are virtual you will still need to pick up their meals on Friday at the school.

Tricia Connell

Director of Dining Services

Reed City Public Schools
