WEEKLY NEWS FOR JANUARY 8, 2021

SCHOOL
principal

Dear Viking Families,

As we start to plan our return to school, we have dates and details to share. If your student is an eLearner, everything will remain the same and you can ignore this part of our newsletter. If your student is a hybrid student, they will follow the hybrid schedule they had when we were in-person (unless we set something else up with you individually).

Hybrid Return to School Dates

Monday, 1/11: Select students have been asked to come back and have been contacted directly

Tuesday, 1/19: All 5th Grade Hybrid Students Return

Monday, 1/25: All 6th, 7th, and 8th Grade Hybrid Students Return

What should I bring?

Please bring a fully charged Chromebook, wear a mask and bring a backup one just in case, a notebook and writing utensils, needed books and anything else your teachers have asked you to bring.

Do I need to do the self certifications again?

Yes. You will receive a text message with the link to complete this daily. This is a must each day prior to coming to school.

Will we get lunch?

Lunch will be handed out at the end of each session as students leave the building, outside. These lunches are free and available to all students. Please look for the lunch pass out station as you exit the building.

Where do I go when I get to AMS and what is it like?

This is covered in our [WELCOME BACK VIDEO](#), which you should watch again to review our procedures prior to your return. Everyone has a designated door to enter based on their grade level. Students who are dropped off and picked up should use the Harrison lot on the south end of the soccer field. Students then walk to their entry location. If you are in the AM session, please arrive between 7:35 - 7:40am. If you are in the PM session, please arrive between 11:50 - 11:55am. Line up on a dot at your grade level door and wait to be called in to get your temperature checked. The first thing we do when we enter the building is wash our hands.

Those of you who were in-person in October, everything will be done the same way. Those of you new to this, we will help you learn our procedures and the video above covers it all. We all remain 6 feet away from each other and wear masks over our nose and mouth at all times indoors.

What is the bus like?

Our buses are handled as they were in October. Students should be at their assigned bus stop at least 5 minutes prior to the time we provided. Students must sit in their assigned seat the entire bus ride. They also must keep their mask on correctly the entire ride. When they arrive at school, they need to remain seated until the bus driver opens the door. We want to make sure students don't line up as they get off/on and students have to stay six feet apart as they get on and off of the bus.

We are excited to have you back, and we will follow all of our cleaning procedures as we did before, even with fewer students in the building. If you traveled out of state during the ten days prior to your return date, please contact the office and let us know. If you have any questions, please do not hesitate to contact us.

Sincerely,
Gerrie Aulisa

Please feel free to contact your child's principal if you have any questions or if you would like to make any changes. Thank you for your patience and flexibility as we have navigated through this school year.

Sincerely,

Dr. Jake Chung
