

WISCASSET MIDDLE HIGH SCHOOL

272 Gardiner Road Wiscasset, ME 04578 (207) 882-7722

January 9, 2021

Dear WMHS parents of students attending BRCTC,

I am writing to inform you of a letter that was sent today from Bath Regional Career and Technical Center regarding recent COVID-19 cases at Morse High School. At this time, the Bath Campus is on outbreak status which means all students attending classes at BRCTC will be taking their BRCTC classes remotely.

Due to our Wiscasset students not coming directly into contact with the infected students, our Wiscasset BRCTC students may still attend their Wiscasset classes in person on their designated days. If you have any alternative transportation needs to or from school please notify the bus garage at 882-7612 to arrange transportation.

Please review the attached notice sent by Director Kenny for further details on cases at RSU1.

We appreciate your trust and patience during this pandemic and we will continue to do everything we can to ensure your child has a healthy and engaging academic experience here at WMHS.

Thank you for your continued support.

Charles F. Lomonte
Principal, WMHS
