## NOTIFICATION OF CONFIRMED COVID-19 CASE ON CAMPUS

January 11, 2021

Dear Parent/Guardian,

In keeping with Jourdanon ISD's practices to respond to COVID-19, we are notifying all student families that a student who was confirmed to have COVID-19 was present on the campus of Jourdanon High School on Thursday, January 7, 2021. Due to privacy requirements, we will not be releasing the name of the individual or details that may identify him or her.

We are working closely with the local health department on this matter. After careful review, we have determined that the COVID-positive person did come into contact with students, staff, or areas accessed by students or staff and those individuals and/or the parents of the individuals were notified immediately by school personnel. Those that were in close contact will remain off campus for up to 10 days to ensure they do not have the virus, so that there will not be any further spread. We will keep you apprised of further updates.

While we do not have reason to believe that those who were not in close contact with the infected individual have reason to be concerned, we ask that you, as always, to watch for symptoms of COVID-19.

Any of the following symptoms indicate a possible COVID-19 infection:

- Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
- Loss of taste or smell
- Cough
- Difficulty breathing
- Shortness of breath
- Fatigue
- Headache
- Chills
- Sore throat
- Congestion or runny nose
- Shaking or exaggerated shivering
- Significant muscle pain or ache
- Diarrhea
- Nausea or vomiting

***The mission of JISD shall be to provide a high quality educational environment that promotes excellence; builds responsibility; and creates life-long learners; so that all students are prepared to be contributing adults in a diverse and ever-changing society.***

It is the policy of the Jourdanon Independent School District not to discriminate on the basis of sex, handicap, race, color, age, or national origin and to take steps to assure that the lack of English language skills will not be a barrier in its educational and career and technology programs, services, activities or employment as required by Title IX, Section 504 and Title VI.

Es la política del distrito independiente de la escuela de Jourdanon a no discriminar sobre la base del sexo, desventaja, raza, color, edad, u origen nacional y para no tomar medidas para asegurar que la carencia de las habilidades de lengua inglesa no será una barrera en sus programas educativos y de la carrera y de la tecnología, los servicios, las actividades o el empleo según los requisitos del título IX, la sección 504 y el título VI.
