## Public Service Announcement

**Date:** Jan. 8, 2021  
**To:** All Media  
**From:** Shellie Campbell, Interim Director  
North Central Public Health District  
**Subject:** **Temporary reduction in clinic hours at NCPHD**

---

North Central Public Health District is temporarily reducing its walk-in clinic hours and reproductive health clinic hours as it focuses on dispensing the COVID-19 vaccine.

Starting this coming week, the walk-in clinic will temporarily be offered on Wednesdays only, rather than Wednesday through Friday. The reproductive health clinic will be offered on Mondays only, rather than Mondays and Tuesdays.

The Wednesday walk-in-clinic is open from 8:30 a.m. to noon and 1 to 5 p.m. Though it is walk-in, the public is asked to call ahead, at 541-506-2600, since we are doing phone appointments if possible. The reproductive health clinic is available by appointment by calling 541-506-2600.

We will let the public know when we return to our normal schedule.
