RSU 57 prepares respectful, responsible and creative thinkers for success in the global community.

January 11, 2021

Dear LINE Staff, Students, and Families,

Friday, per Maine CDC guidance, LINE Elementary School responded to a probable positive case of COVID19 by notifying close contacts to initiate quarantine. As a result of further testing, RSU 57 has been informed that the probable positive has indeed tested negative through a more accurate test regime. Therefore, **the group of staff and students who had been considered “close contacts” are no longer needing to quarantine.** LINE families impacted have been notified that the quarantine has been lifted.

We thank you for your patience as we work with the Maine CDC to respond to cases within their guidelines. We understand that abrupt changes in access to in-person learning and teaching are a hardship for all involved. We look forward to welcoming you back to school tomorrow.

Questions for the school can be directed to LINE School Principal Tim Stinson timothystinson@rsu57.org or LINE School Nurse Daneane Neyer daneaneneyer@rsu57.org. For general COVID-19 questions, dial 211 (or 1-866-811-5695). You can also text your ZIP code to 898-211 or email info@211maine.org. Call a health care provider for questions about your symptoms. More information can be found at www.maine.gov/dhhs/coronavirus or www.cdc.gov/coronavirus.

Sincerely,

Larry Malone, Superintendent
Timothy Stinson, Principal
