Mr. Lonnie Luepker, Superintendent
Mrs. Susan O'Donnell, Secondary Principal

Mrs. Ashley Kelting, Elementary Principal

Warrior Families and Staff:

With the 14-day County COVID positivity numbers on the rise after Christmas break, I want to re-enforce our District Message throughout the year. Continue to be diligent and monitor for symptoms at home, take your students temperature before coming to school, stay home if you are sick, wear a mask and practice social distancing. Student and staff safety has and will continue to be a main priority at Calamus-Wheatland. We continue to follow the same COVID protocols with guidance from the Department of Public Health. I understand that this can be very frustrating for all of us and appreciate your understanding as we work through this school year together.

Sincerely,

Lonnie A. Luepker
Superintendent
